Baku, September 15-16, 2022

National consultations on the SDG agenda

REPORT

TAJIKISTAN ON NATIONAL CONSULTATIONS WORLD AFTER 2015
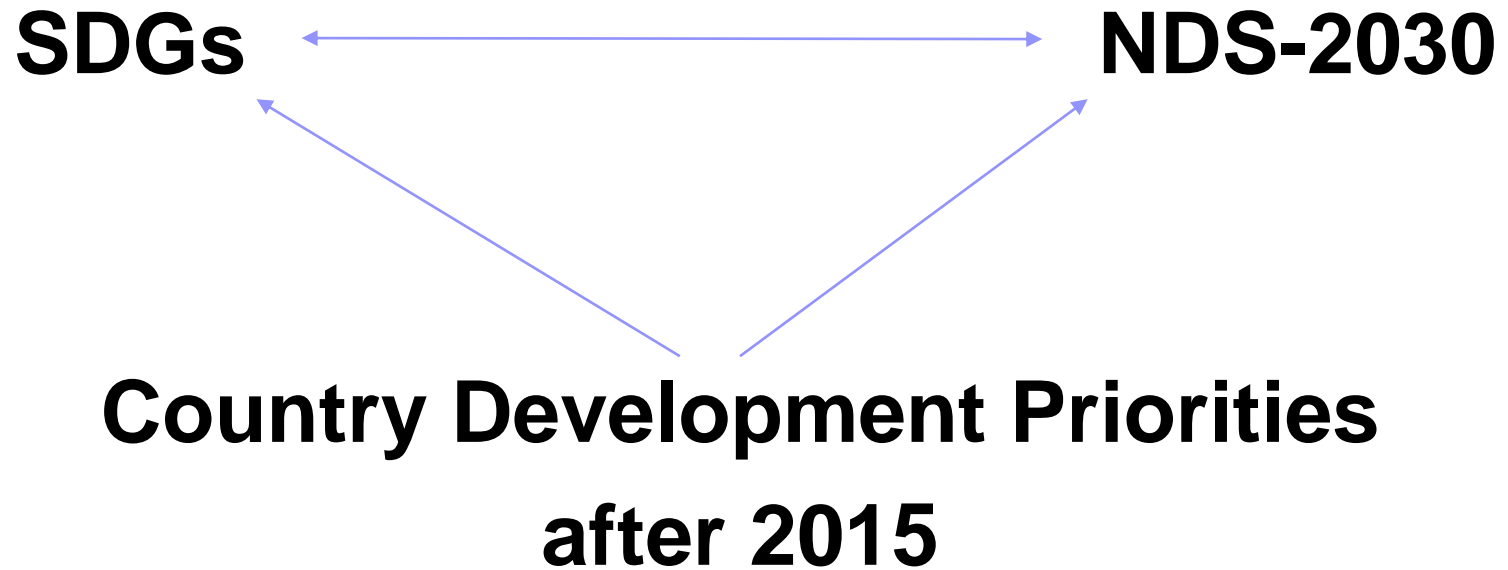

Dushanbe, May 2013

National consultations on the SDG agenda

made it possible to identify the main priorities of the country's development after 2015, the implementation of which is directed by the economic ideology, basic principles and set of measures of the NDS-2030.

These include:

(1) education;

(2) healthcare;

(3) employment;I

(4) nequality;

(5) fight against corruption;

(6) food security and nutrition;

(7) effective management;

(8) social protection of the population;

(9) prevention of potential conflicts;

(10) reliable energy, ecology and management of demographic processes..

Coordination of the development of SDGs and NDS-2030

SDGs ⟷ **NDS-2030**

Country Development Priorities

after 2015

NDS-2030 takes into account the international obligations of the Republic of Tajikistan on Agenda 21 and the Sustainable Development Goals (SDGs), approved by the 70th session of the UN General Assembly in September 2015.
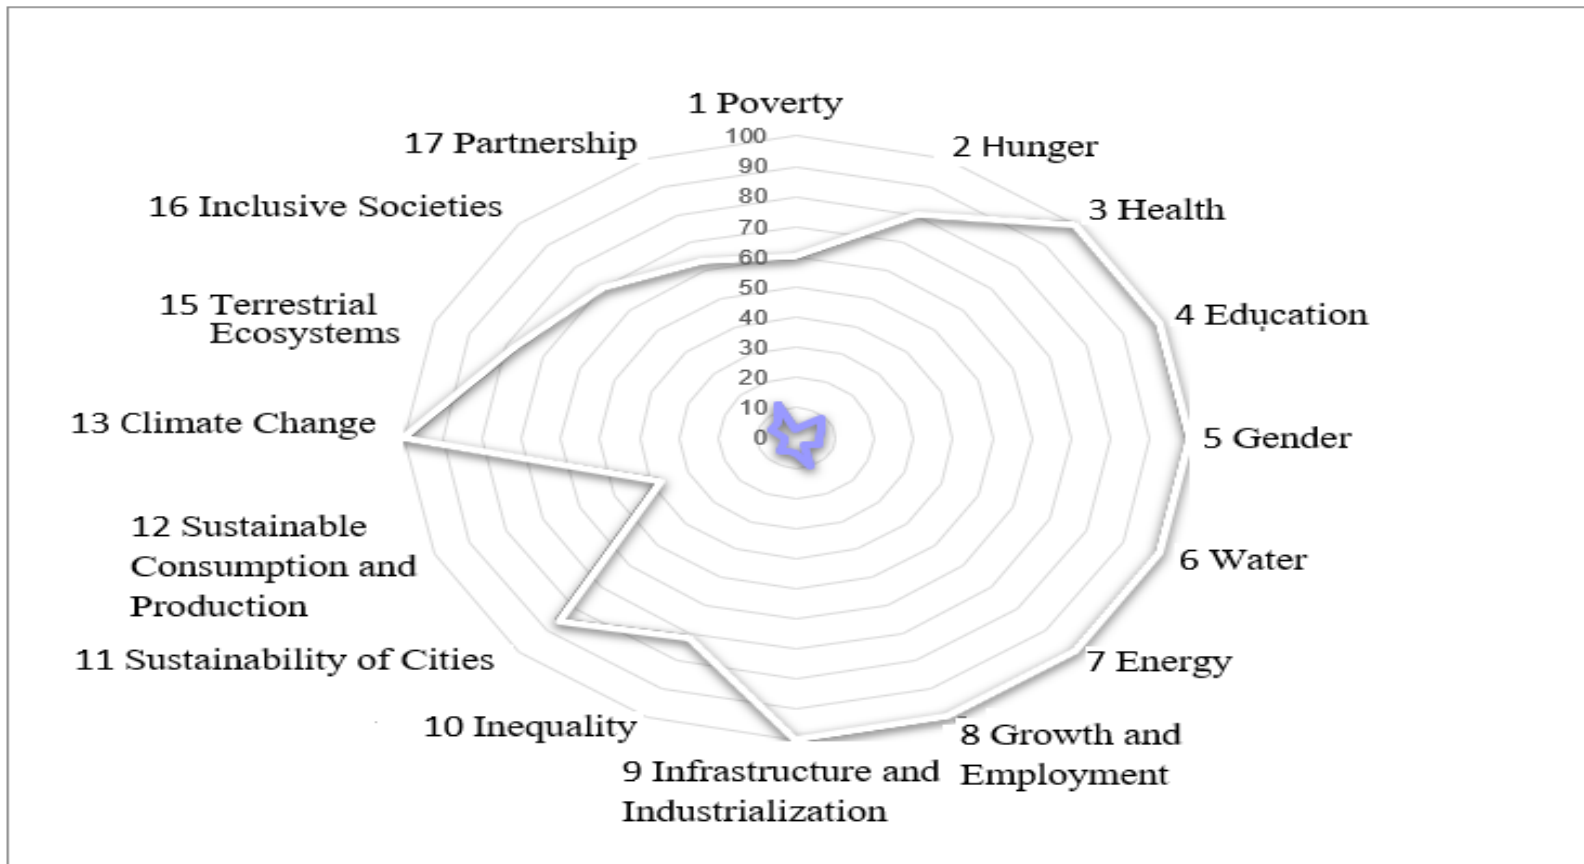

The main focus of the SDGs is the concept of sustainable human development.

Based on this, the complete eradication of poverty, the replacement of unsustainable and the promotion of sustainable patterns of consumption and production, as well as the protection and rational use of natural resources for further economic and social development, are the main tasks and vital conditions for sustainable human development.
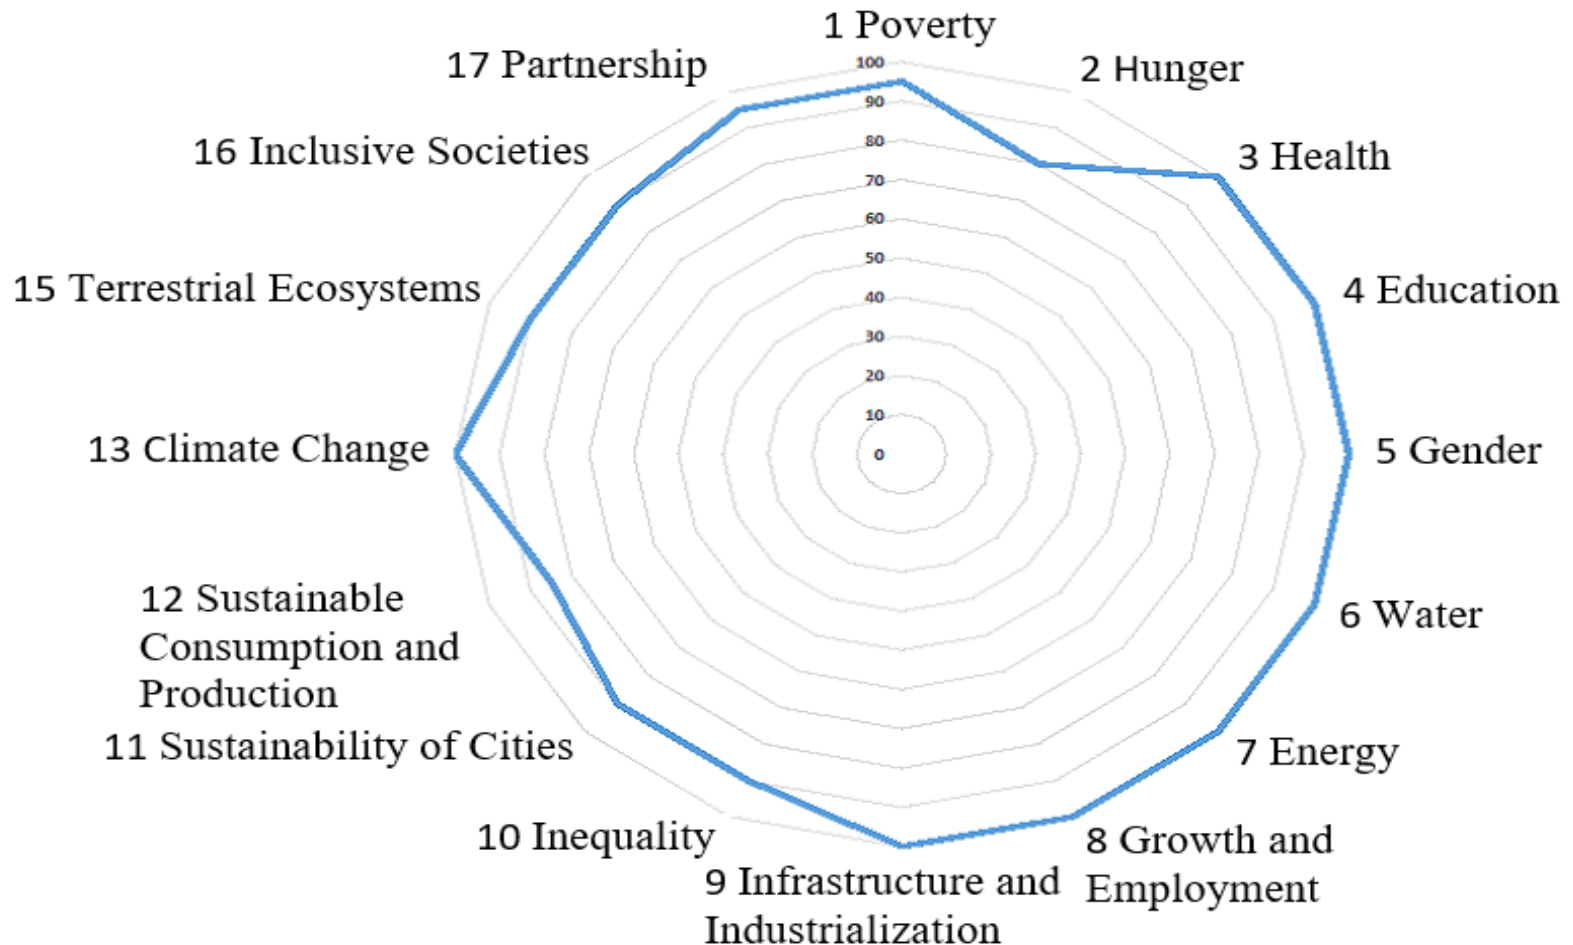

How are existing policies and strategies reflected in the SDGs?

Rapid Comprehensive Assessment:

MTDP 2020 and NDS 2030 together

10 national strategies & programmes: integration 78%

Results of Tajikistan profiling after a review of additional sectoral and regional strategies, programs and development plans of the Republic of Tajikistan
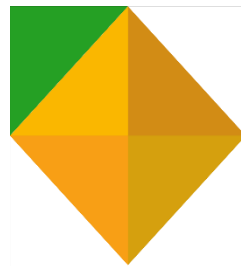

Voluntary National Review

IMPROVING LIVING STANDARDS THROUGH MAINSTREAMING OF SUSTAINABLE DEVELOPMENT GOALS INTO THE NATIONAL DEVELOPMENT POLICY IN TAJIKISTAN

MINISTRY OF ECONOMIC DEVELOPMENT AND TRADE OF THE REPUBLIC OF TAJIKISTAN

REVIEW OF THE IMPLEMENTATION OF THE MID-TERM DEVELOPMENT PROGRAM OF THE REPUBLIC OF TAJIKISTAN FOR THE PERIOD 2016-2020

Dushanbe 2020

This Review is a preliminary assessment of the process of implementing the Medium-Term Development Program for the period 2016-2020. The goal is to reflect the key results of the RPS 2016-2020 implementation process, to substantiate the lessons learned and development challenges for the next medium-term development period. At the same time, progress is assessed not only through the prism of medium-term goals, but also long-term expectations, reflected in the National Development Strategy for the period up to 2030 and the Sustainable Development Goals

The system of the most important development indicators of the Republic of Tajikistan during the implementation of the RPS 2016-2020 (excluding the impact of the COVID-19 pandemic)

	2015 fact	2020 – target value	Average annual growth (2016-2019), %	2020 - evaluation
The volume of GDP, billion somonis (approximately in 2020 prices)	61,5	80,1	7,2%	≈ 86,7
The volume of GDP per capita, thousand somoni (approximately in 2020 prices)	7,2	8,4	4,8%	≈ 9,1
Population poverty level	31,3	20	-1,3%	≈ 24,8

Dynamics of the country's advancement in international ratings and indices during the implementation of the MTDP 2016-2020

	2015 fact	2020 – target value	Evaluations for 2019	Ratings progress for the period 2015-2019
Human Development Index (index value)	0,642	0,667	0,656	there is progress
Gender development index, position in ratings	3rd group level of development	2nd group level of development	5th group level of development	there is a deterioration in positions
Doing business, position in ratings	132 place	no lower than 80 places	106 place	there is an improvement in positions
Competitiveness of the national economy, position in ratings	80 place		104 place	positions are deteriorating

PROBLEMS:

- "Leave no one behind" - how to calculate it?

- Indicators - it is not difficult to nationalize, but how do make them unified, and cross-cutting for all regions of the Republic?

- Institutionalization of indicators – how to make them mandatory for information collection?

- Mechanism of application of indicators - how often, what is the level of sampling?

THE PERMANENT REPRESENTATIVE
OF THE REPUBLIC OF
TAJIKISTAN TO
THE UNITED NATIONS

New York, 23 March 2022

Excellency,

I refer to the 2023 High-level Political Forum on Sustainable Development (HLPF), to be convened under the auspices of the United Nations Economic and Social Council (ECOSOC) in July 2023.

With reference to the General assembly resolution 70/1, I have the honor to request that my country, the Republic of Tajikistan be inscribed on the list of countries participating in the voluntary national reviews (VNRs) to take place at the 2023 HLPF.

Please be informed that Tajikistan presented already its first VNR at the 2017 HLPF reflecting its progress in the implementation of the 17 Sustainable Development Goals.

In this regard, Tajikistan attaches great importance to the implementation of the 2030 Agenda and looks forward to sharing experiences, including successes, challenges, and lessons learned.

Please accept, Excellency, the assurances of my highest consideration.

Jonibek Hikmat
Permanent Representative

His Excellency
Ambassador Collen Vixen Kelapile
President of the United Nations
Economic and Social Council
New York

Thank you for your attention!
