## PARTNERSHIPS

# Example of a local road safety partnership

**Kent and Medway**

**Safer Roads  
Partnership**

**We are part of the Kent and Medway Safer Roads Partnership, working with Kent Police, Kent Fire & Rescue, Kent & Medway Safety Camera Partnership, Medway Council and National Highways to identify opportunities for coordination and collaboration.**

Would you cope **without**  
your driving licence?

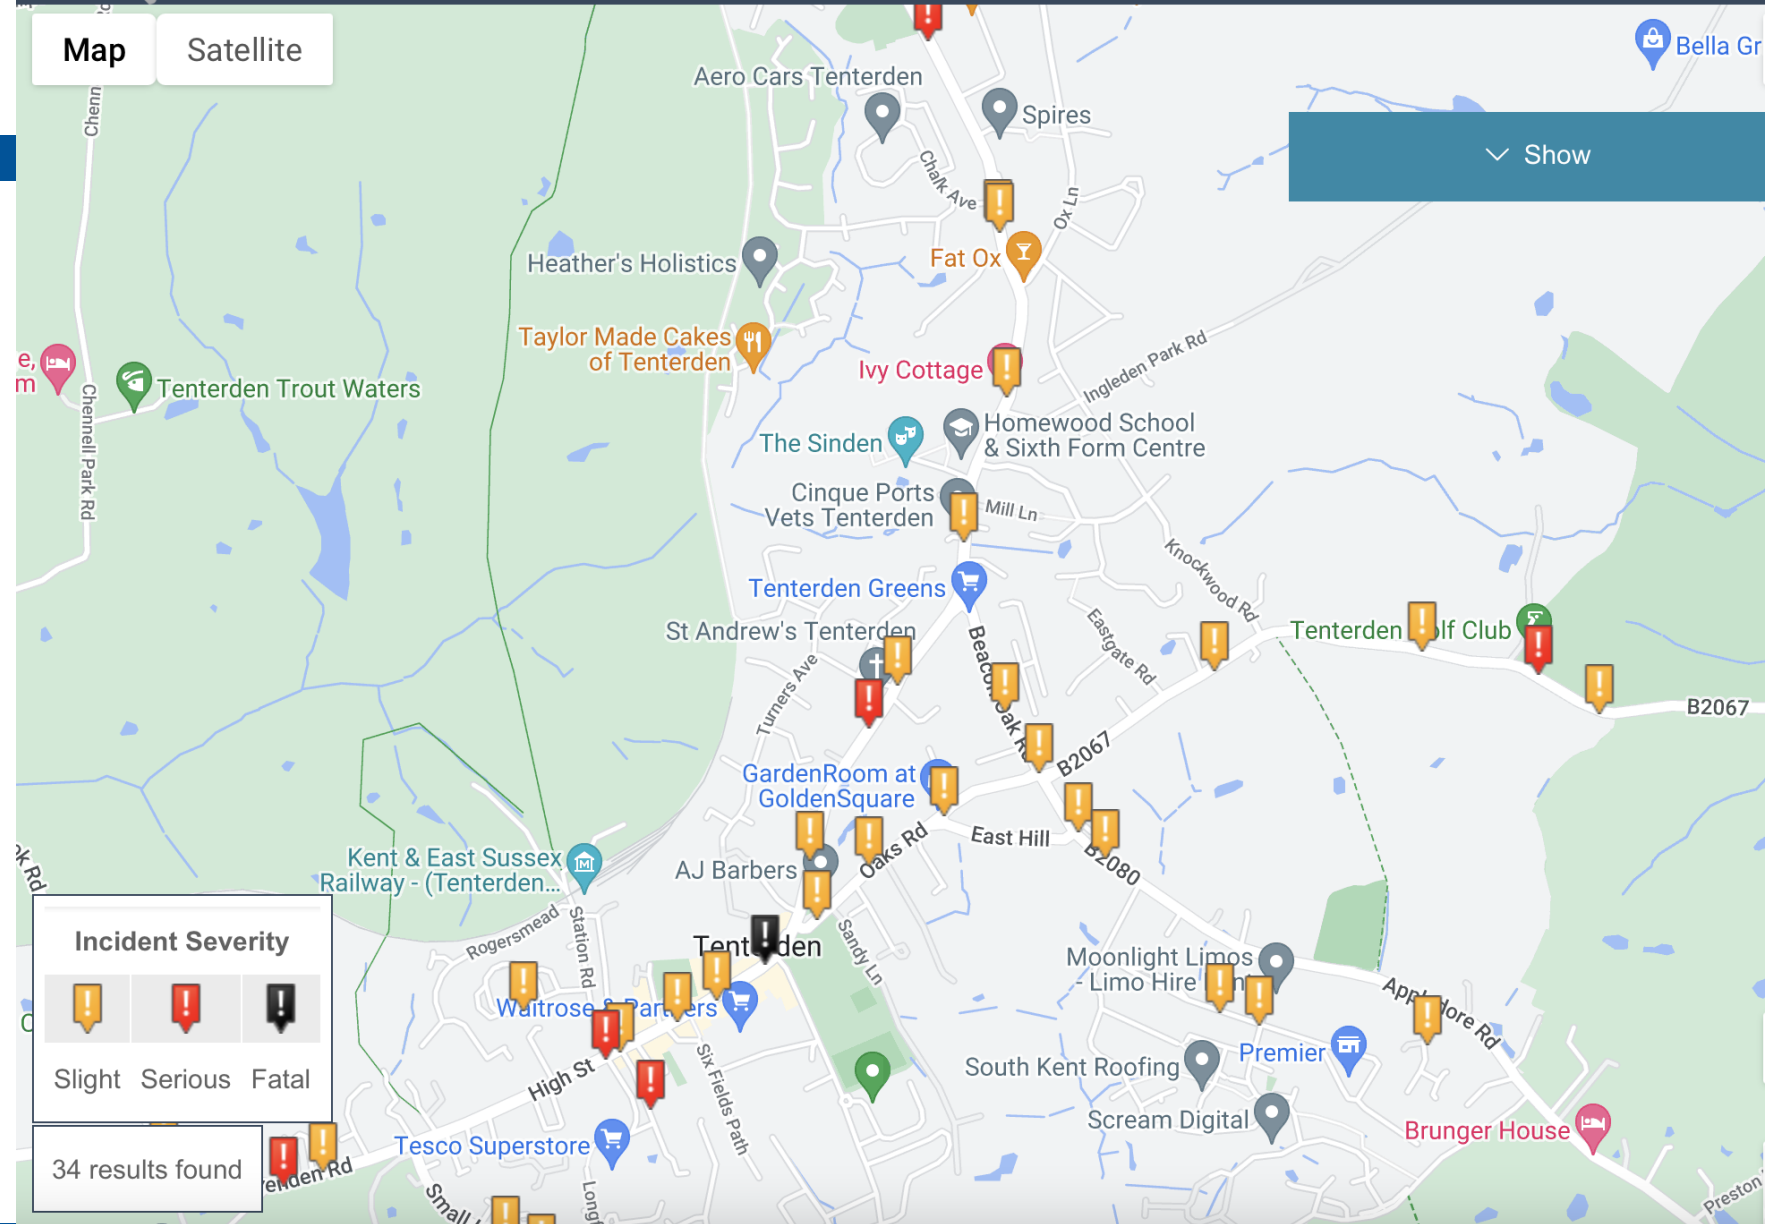

**DONT RISK IT**

Is a drink **really** worth it?  
Make the right choice.  
**Don't drink & drive.**

 Drink  
**OR** Drive.

Access to local data is important
